## “Welcome to Your Pregnancy Care Journey”

Becoming parents is a beautiful journey, and Tulip is here to make sure you never walk it alone. From the moment you plan for your little one to the final stages of pregnancy and the start of parenthood, Tulip offers expert guidance, medical support, and personalized care at every step. Our program ensures you are fully prepared for delivery, supported through labour, and ready to embrace motherhood with confidence and peace of mind.

### What Is Tulip?

Tulip is a complete maternity care program supporting women from planning to postpartum. The program offers three essential programs: Preconception Care, Antenatal Support, and Maternity Wellness covering every stage of motherhood, nurturing both mother and baby.

#### Pre-conception Care

Our program helps you understand your body better, optimise your health, and take informed steps toward a safe and healthy pregnancy.

Lab Tests & Fertility Checks

Hormonal Wellness Assessment

Vitals Monitoring

Preconception Counselling & Guidance

#### Antenatal Care Pregnancy Support

Antenatal Programs combine essential pregnancy care **Check-ups, scans, tests, & doctor consultations** - into one simple, yet comprehensive plan.

Essential Screenings & Tests at Every Stage

Nurture Buddy to Guide You Throughout

Expert Consultations with Gynaecologists, Dietitian & Physiotherapists

Preliminary Care Support to Track Your Baby's Growth & Health

Welcome kit + Womb to World sessions

#### Maternity Wellness

Our program builds health, supports well-being, and prepares you for smoother delivery, faster recovery, and stronger bonding with your baby.

Live Maternity Yoga Sessions

Garbha Sanskar, a complete course on labour and birth

Positive Affirmations & Mindfulness Practices

Guidance from Leading Professionals
